

Spring 2020

Spring is here again. For me spring is the most exciting season of the year. With everything turning green and the flowers coming up. It is clear God has created this for us to enjoy and recognize how great He is. Another is the resurrection of Jesus Christ; the fact that He died to save us from our sins.

I am still recovering from triple bypass surgery that I had in November. It is coming along great! I'm going to rehab and getting stronger each day. I'm balancing serving on the chapel, and going to rehab with doctor's appointments. It is very challenging. It's great to return to the chapel to see drivers and staff at the truck stop.

I would especially like to thank all the people who have been praying for Linda and I during this time. It was great to receive texts and phone calls from drivers and friends. On the first day back at the chapel, a driver met me as I got out of my car. He wanted to talk because he had just been diagnosed with breast cancer. I sometimes forget how important it is for drivers that we be available in their time of need.

A big "thank you" goes out to Grant Ross and Ken Wilsdon for stepping up and keeping the chapel open in my absence. Their ministry will be very important as the new chapel develops in Edmonton.

Looking forward to Spring, Lord willing, I'll be dividing my time between Calgary and ministry development at the Pilot Flying J Travel Center in Sherwood Park, Edmonton. The chapel will be delivered on-site sometime in March, we hope. We have a couple of new volunteers that will require one-on-one training, along with truck stop orientation. That brings back memories of ministry beginning in Calgary. Please continue to pray for us in this new development.

When much is given much is expected. Please prayerfully consider standing with Linda and I in this ministry. We still have some ministry opportunities for chaplains on the Calgary chapel; training and uniform provided. If you are looking for a life-changing experience and want to see the Lord move in the lives of drivers, give me a call: 403-605-8422.

Linda and I are very thankful for those who faithfully support us in prayer and financial resources. Without you, our ministry would not be possible. If you are not part of our team we would prayerfully ask you to consider joining us. Please see the [Donations](#) page on this web site or you can click on one of the donate buttons located throughout the web site. Thank you in advance! Looking forward to hearing from you soon.

Words cannot explain how grateful Linda and I are for your continued prayer and financial support. Thank you from the bottom of our hearts.

*May you and your family enjoy
Easter, remembering Christ died
so you can live!*

God bless,
