

Spring 2020

Easter Greetings, from Lynn and Beatrice

As I sit here, in front of my dining room window writing this letter, I see the bright sun and the green grass. Where did the snow go? It seems spring has come to Napanee. I trust there'll be no more snow, so I can get on with spring cleaning.

Since our Christmas letter, we have had busy times at the Meeting Place. We have spoken with many truckers, and been able to hand out small gift bags with such things as pens, mini-notebooks, personal hygiene items and treats. These are the items the truckers say they run out of the most.

We always say, "This is a gift to say thank you for all you do to deliver products all across Canada for us to enjoy. We know the highways are dangerous, especially in winter driving, and we are here to let you know that there are people praying for you daily." We then ask if we can pray for them and most of them say "yes".

This past February we had truckers from New Brunswick, Nova Scotia, Prince Edward Island, Quebec, Calgary, and Saskatoon visit the Meeting Place. One lady dropped by and asked if she could take a tract. She later returned and asked if she could receive this Jesus. Our chaplain, Garfield, prayed with her. She left with a smile on her face and a weight lifted off her shoulders. Praise God! Even in the dead of winter this dear soul found that the Light of Jesus was just what she needed. Please pray for Violet, that she will stay close to Jesus and read His word daily. We thank you for praying. God bless you!

On the home front, things are going well. Both Lynn and Garfield suffered with the flu in February. Both have returned to the ministry, thanks to your prayers. Bea had a couple of weeks of diabetic adjustments, but is doing much better now. Our car is not doing too well these days. The mechanic says that it needs some repairs that are estimated to cost around \$500. We are trusting that God will provide. Please pray with us.

We want to wish you, our dear family and all our awesome faithful partners, an amazing Celebration of Easter. May it be a time of reflection upon the enormous price JESUS paid for our salvation. As the song goes, "Living, HE loved me. Dying, He saved me. Buried, HE carried my sins far away. Rising, HE justified. Freely forgiven. One day He's coming. O, GLORIOUS DAY!"
