

Dear Friends:

Christmas season is upon us. Many forget the meaning of Christmas because of the world of advertising focusing on the purchase of gifts. Linda and I focus on the meaning of Christmas: the birth of Christ in his humble beginning sharing His gift of salvation to those who freely receive.

One of the blessings of ministry are the regular walks around the truck stop parking lot. It provides drivers with an opportunity to get to know us and sometimes it opens the door for the wonderful opportunities to share the gospel. On one of my walks through the parking lot a driver opened his window and began asking questions. It was a cold, cloudy day and the 2 drivers graciously invited me into their truck. Thomas, was a middle-aged man, of a large stature and very calm. He was sitting in the driver's seat of his flat-deck Freightliner and Kevin, his co-driver, made room for me by sitting back in the bunk. Kevin is a Christian and used this opportunity to witness to Thomas who had all kinds of questions. For over an hour the conversation continued focusing on Christianity. Finally Thomas requested reading material and a Bible. Kevin and Thomas are now attending Church when possible, as life on the road is challenging. Kevin stays in touch with me and we are praying that sometime in the future that Thomas would ask the Lord into his heart. It's simply amazing that this all began by a walk through the parking lot of the truck stop. *This is possible because YOU faithfully support me by prayer and finances.*

There are many other stories of God's faithfulness touching the lives of men and women who stop at the Pilot Flying J Travel Center in Calgary. Why don't you come by and join me for a cup of coffee? Look forward to hearing from YOU.

The days ahead are very exciting! In late 2019 ministry will begin at the Pilot Flying J in Edmonton. My responsibility will be divided between Calgary and Edmonton. We have some vacancies on our Calgary chapel schedule; why don't YOU give me a call 401-605-8422 or email at <mailto:levnor@telus.net>?

Open Road Chapels is in the middle of a 3-year crucial growth strategy. Along with Edmonton, two other locations will open in Fort Erie and London, Ontario, Pilot Flying J locations. **This challenge is one of the largest in the history of this ministry, possible only by the power of the Lord and YOU.**

My part of the 3-year crucial growth strategy requires an increase in my financial support to provide ministry and personal growth. **Would YOU please stand with us? Our budget requires \$300.00 a month increase. One time or monthly donations come in various amounts \$25.00, \$50.00, \$75.00 or even \$100.00!** To learn more about how to become a financial partner in the ministry, please see the [Donations](#) page on this web site or you can click on one of the donate buttons located throughout the web site. **Thank you for your prayers and financial support. We can't do this ministry without you.**

Linda and I, thank the Lord for YOU every day because YOU empower us for ministry. Your prayer and financial support enable us to reach drivers like Thomas, Kevin and others.

Merry Christmas to you and your family.

God bless,
Ron & Linda Clark,
Canadian Western Director

P.S. Please partner with us today, beginning during this Christmas season! Thank you!
