

## *SPRING IS HERE!*

Easter time is a Christian's greatest celebration of what God created. When Christ died on the cross and rose three days later, is when God's work was completed and by accepting Christ as our Saviour, our sins are forgiven.

Easter is a special time to reflect on how much God has done for us as a free gift. I praise God for the opportunity to help a driver by the name of Tom. His truck broke down and he had to get a prescription filled. Being from Vancouver, he wasn't sure where to go to the nearest pharmacy. I took him to get the prescription and on the way back to the truck stop he said his truck was going to be towed and he had no place to sleep. We found a room at a hotel. His problems continued for the rest of the week. On Saturday morning his truck was fixed, so I picked him up and took him to his truck. He thanked me and left. The next morning he sent me a text saying everything was good and may God bless me. Tom indicated to me several times prior to that week that he was not a believer, but now wants to have a conversation about Christ when he comes back to Calgary. Praise God!

If you would like to sit and chat about other stories and how our team is helping people at the truck stop, I would love to sit and have a coffee with you. Give me a call anytime. Linda and I are very thankful for the volunteers on our team. They are loyal servants of God and look forward to covering their shift. If this is a ministry that interests you, come over to the truck stop for a tour of what happens here and learn the next steps to becoming a volunteer. You can find us at the Pilot Flying J Travel Center, 11511 40<sup>th</sup> Street SE, Calgary. My cell # is 403-605-8422 and email is levnor@telus.net.

With all these things happening, it is important to maintain my personal support. To our existing team of donors, a big "Thank You"! We could not do this ministry without your support. If you are not part of our special team, why not join us? Your donation of \$20, \$30 or \$100 a month would make a huge difference and be greatly appreciated. Please see our [secure online donation](#) form to make a special financial gift. Thank you.

Linda and I would like to thank you, our ministry family, for your prayers and financial support. Your contributions are multiplied many times over in the sacrifices the men and women make in the trucking industry to deliver goods to us so we can have a better life.

God bless,
