

Spring 2023

Dear Friends:

As snowbanks disappear the warm sun removes the last memories of winter. Birds appear and sing their melody. The warm weather is on its way. Green sprouts of grass find their way to the surface, acknowledging spring has sprung.

The long days of spring are but gentle reminders of the importance of change. In the wings of spring comes Easter; the unchanging message for all man kind. Christ walked this earth challenging man with their fallen nature. Good Friday till Easter Sunday, He turned death into life for those who know Him personally. The message of Open Road Chapels is to see men and women enter the kingdom of God, from death unto life. The message of Easter is every day reaching out and sharing the message of Christ.

A driver named Tony is always asking questions about God. I had a long discussion with him about Easter’s meaning for believers. He thanked me for my time said he would return. Just one of the many discussions with people who visit our chapel. It’s a pleasure to share about our Saviour and Lord, Jesus Christ!

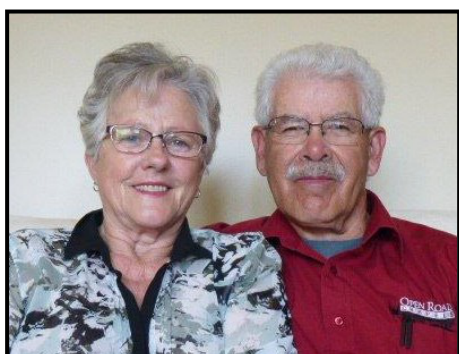

The chapel is busy and it’s great to have Grant Ross back on the chapel after recovering from health issues. If you would like to be a part of this exciting action, come by chapel. Enjoy a coffee and watch the Lord get YOU involved in these exciting conversations. I look forward to hearing from YOU. (403-605-8422)

On the home front, Linda continues to work part-time and enjoys working with children. Linda’s mom is in the process of relocation to another facility; along with the bumps-in-the-road, that accompany the transition. Our extended family, Samson and Lola (pets), continue to entertain us -- especially during our walks! Thank you for praying for us in ministry.

WORDS CANNOT EXPRESS OUR SINCERE APPRECIATION FOR OUR MINISTRY PARTNERS. Your prayers and financial support enable us to reach out and share the Gospel to men and women in the world of trucking. We are always looking for new partners in ministry. Your financial support is multiplied many times over in the lives of men and women in trucking. Please join us. The information provided explains, in detail, the simple process for forwarding your financial gift in a timely manner.

“Thank you” seems inadequate for your important part of our ministry. Sure there are many people in the kingdom of God; the fruit of your generosity. Thank you from the bottom of our hearts. May the Lord continue to bless you abundantly.

Thanks again and God bless,
Ron & Linda Clark
