There's still time to support our goal of $30,000 for the Motor Coach Chapel in 2021 and help us move forward with the Gospel.

This year we faced a tough challenge with the need for our ministry rising across the country.

Now is your chance to make a difference! You can provide hope, help and the Gospel to hundreds of men and women working in the trucking industry. As God has provided the 2003 Monaco Motor Coach Chapel, we have the opportunity to expand our ministry and reach more people than ever before!

You can be a part of this mission. Please give today.
