

**"To give light to those who sit in darkness and the shadow of death,
To guide our feet into the way of peace."** -- Luke 1:79

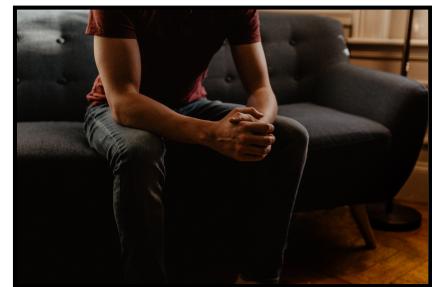

Dear ORC Family and Friends:

Have you ever looked at a map and put your finger on a place you have never been? On the map it looks like a short distance, only to find out it's much further! During my extended time in Edmonton, Alberta, this summer I thought Ron and I would take a short road trip to Whitecourt, Alberta. This would be a relaxing trip. After all, it did not look far on the map! Pilot Flying J had opened a new location there and I thought it would be good to check it out. *"Without YOU this trip would not be possible!* Thank YOU for your support."

What I thought should have been a short trip, turned out to actually be a 2 ½ hour journey through wilderness, highway and no man's land. What a shock! In the middle of wilderness was a city, at the bottom of a big hill. The sky was busy with steam from 2 huge paper mills. Taking a short tour of the city, the words of Zachariah cut to my soul *"give light to them that sit in darkness and in the shadow of death."* The journey from Edmonton to Whitecourt will become familiar as a developing ministry location, added to the mobile chapel route, and to be completed when a permanent chapel is placed on the site. My thoughts created excitement within me as I contemplated our return to Whitecourt with the mobile chapel in 2021, Lord willing!

I look back to the 1st driver to visit the mobile chapel on its 1st visit to the Pilot Flying J in Winnipeg, Manitoba. His name was Terry. He was tall, slender and walked with a limp. He sat down beside me; his words soft and quiet. *"Gave up on God. He's not coming back,"* he stated, as he adjusted his well-worn Stetson. Slowly, he shared his story of riding the rodeo circuit with a desire to witness to other riders about the Lord. He suffered a serious fall and his career was over, along with his dreams. Without another word, he stood up and walked away. Later, Terry returned, sat down and removed his Stetson. He said, *"I need your help. I feel so guilty."* I assured him the Lord understands, but suggested he re-dedicate his life to the Lord's service. I shared scripture with him and Terry re-dedicated his life to the Lord. **YOU made it possible to share the Gospel in a time of need. THANK YOU!**

Whitecourt is waiting! Waiting for the mobile chapel. **YOU CAN IMMEDIATELY turn WAITING into WORKING** by investing in the KINGDOM. **YES, YOU CAN!** The budget for ministry development is sixty thousand dollars (\$60,000.00), divided three ways towards Whitecourt, Alberta; the mobile chapel and hospitality (motel rooms for chaplains). Donations of \$500.00, \$250.00, \$100.00 or \$25.00 are welcome. THANK YOU in advance for your generous contribution! To make a donation, please click [here](#).

A VERY SPECIAL THANK YOU TO YOU! Without your prayers and financial support, the ministry could not exist. In this busy Christmas season, let us not forget Zachariah's praise, *"to give light to them that sit in darkness and in the shadow of death."* Thank you and have a Merry Christmas.

Your servant in Christ,
Rev. Don Harrison,
Executive Director Open Road Chapels

**P.S. YOU ARE NEEDED to turn
WAITING INTO WORKING!**
