

Happy Thanksgiving

“21 ...Jehoshaphat appointed men to sing to the Lord and to praise him for the splendour of his holiness as they went out at the head of the army, saying: ‘Give thanks to the Lord, for his love endures forever.’”

2 Chronicles 20:21

I can't make it into the great choirs of singers, quartets – nor do I have the opportunity, but I love to sing. I can just imagine those singers of King Jehoshaphat, about 850 BC singing joyfully, and finding God brought unbelievable victory!

Just before going on our summer break I had the joy of sharing the Gospel with Guy, who made my heart sing when he committed his heart to the Lord Jesus. I was on my walk around the truck stop before going home and almost dismissed stopping at that truck, but God had an appointment with that fellow and I had to keep it. And was I ever blessed!! I sang all the way home. Please pray for Guy. I've since called him and continue to rejoice in what God is doing in his life.

As chaplain in Lancaster, Ontario, I am very thankful for the variety of people that I am able to talk with. Some are well-to-do just seeking advice; some have their own agenda or are a seemingly poor hitchhiker hoping for a handout and some help along the way. They come to voice various hurts, challenges, needs, blessings or just to talk. Today I was richly blessed to have a fellow come seeking solace. He and I were richly blessed to be able to sing together. It lifted both of our hearts to God as we sang hymns of the faith and talked of God's wondrous grace.

King Jehoshaphat was a godly king who made serious mistakes, but his faith, overall, was in God. Praise God, though he had his failings, he learned from them and became a much better person. I pray that those who come through this “Flying J” truck stop and get to hear the Gospel – or even the witness of the cross on the chapel – and share time rejoicing in the good news of God's Word and singing, are better off than before. We've all sinned and fallen short of God's law, but it is God's Word that lifts up the brokenhearted, heals the wounded and refreshes the saints. As chaplain, I am blessed to be able to be here for them for Christ.

Thank you for your prayers and the help that many of you are giving which enables me to make known the Gospel, to encourage them and even sing with them. If you wish to partner with us financially, please go to our [Donation](#) page for more information.

Thanksgiving Blessings to you!
