

Dear family and friends:

Fall is a time of change in weather and the beautiful colors when God, the Master Artist, does another masterpiece of the landscape. For me, this is a reminder of being thankful for all that God has given us in this world.

One of the things I am most thankful for is the opportunity to serve God at the chapel and help people. It can be something as simple as tying an elderly shoe lace because she couldn't bend over, to having a conversation that is deeply troubling to a driver. I recently had a long conversation with a young lady driver who was dealing with a number of issues.

Marissa had a difficult upbringing and these issues were surfacing as she was driving down the road by herself. We talked about how God could help her if she asked God into her life and sought the help she needed. She was very receptive to what we talked about.

I would not have the opportunity to help people, with whatever their needs are, if it wasn't for the support I receive from you. You can participate in this very important and unique ministry using the [secure donation form](#) here on the web site, via [CanadaHelps](#) or Open Road Chapels' [Facebook page](#). Linda and I are so thankful for the prayers, financial support, etc., we have received from you over the years. God bless each and every one of you!

GOD IS GOOD IN EVERY WAY!
