

Summer 2023

Dear ORC Family and Friends:

It is with immense pleasure and excitement, that we welcome Ryan Carney to Open Road Chapels. In September, Ryan will begin ministry as our Chaplain Communication Co-ordinator. He will be communicating with our chaplains, offering them encouragement, prayer, and strength for these front-line soldiers of the Cross.

When reading Ryan's biography, you get the message of compassion for the Gospel, with his arms linked to the trucking industry. He was working in a repair shop, supplying parts for trucks. Now he's working to supply new hearts for men and women in the trucking industry.

I met Ryan years ago, working at his brother's repair shop in Cochrane, Ontario. Our friendship has allowed me to follow him through his life journey to southern Ontario, Bible School, marriage, starting a family, and working in a truck repair shop in Elmira, Ontario. Recently, Ryan moved his family, along with his wife, Jessica, and two sons, Benjamin, and Theodore, to Verner, Ontario, where they are close to family and friends.

While I was sharing a text message with Ryan a while ago, we discussed the exciting challenges facing Open Road Chapels. Ryan has stepped forward and will begin with us as our Chaplain Communication Co-ordinator this fall. He is a young man with a vision. Our prayer is that Ryan will become the leader to move Open Road Chapels into the future. Look for Ryan on the London, Ontario Chapel sometime this year.

Welcome aboard and God bless you, Ryan, Jessica, Benjamin, and Theodore.

Yours in Christ,

Rev Don Harrison
