

# Happy Thanksgiving!

It's been a very different summer this year for us. For the first time in 20 years, we have not gone to the trailer for our summer vacation. We have sold it. So begins a new era in our lives. We are still Seniors...on the move for the Lord. We got to plant (and weed), flowers all over our yard, then Bea surrounded each section with little white (plastic), picket fences. Bea says, "Finally it looks like home."

Bea is beginning Cardiac rehab to build up her heart muscle. She gets exhausted and breaks out in a severe sweat after 15 minutes of any exertion. They say that will improve after some rehab, (which starts in Sept).

As for me, Lynn, I am fine. We are now into our Fall schedule. Vacation is over, and we have good surprises at the Meeting Place (the Chapel). This past week we had six drivers stop to chat with us. They don't stay long, but they ask questions about the ministry and we always share Christ with them. There is interest, but so far, no conversions. This is where you can help. PRAY, PRAY, PRAY! Without the prayers of our prayer partners, this ministry would not flourish. We are looking for the salvation of these truckers and praying for a great harvest of souls for the Lord in 2019!

The cold weather is on its way and with it bad road conditions. So many transport truck accidents last year. Many truckers know it could be their last trip down the

highway, so we need to pose the question, "If this were your last day on the earth, would you be ready to face your Maker? Are you sure you would be with Jesus in eternity? I can show you how to be sure, from the Bible." With 3 chaplains now on this site, we are confident there will be more opportunities and, prayerfully, more conversions to Christ.

We still have our JW friend dropping by often. He loves to "debate" the Bible. He even had a good conversation with Bea, Gary and me. He asked Bea, "Are you religious too?" She answered, "I am religious in that I go to church often and read my

Bible, but I have a personal RELATIONSHIP with Jesus because I received him into my heart. Religion and a relationship are very different and it makes all the difference. The thief on the cross didn't get time for religion. He just said, 'I believe you, JESUS' and Jesus replied, 'This day you will be with Me in Paradise.' " He looked at Lynn and said, "I can't trip her up, can I? She knows her Bible."

Another driver met us at Wendy's Restaurant. He was going to Hope, B.C. on Friday. Bea told him, "We will pray for you. That is a treacherous highway in the winter. We watch the truck rescues on television from that highway." He said, "I have not been up there before, so I will appreciate your prayers for sure!"

God is busy opening doors for opportunities to share Christ. This Fall Season is off to a great start already and we covet your prayers more than ever.

We want to thank you, all our prayer and financial partners, who faithfully remember us in prayers, givings and words of encouragement. If you are not one of our partners, we encourage you to join our team. Your financial investment enables us to present the Gospel to men and women in the world of trucking. Please go to the [Donation](#) page on this web site for more information. Thank you in advance for your partnership.

You help hold us together as God leads us.

*Be sure to enjoy the approaching  
season of colour changes!*
